

Installation Instructions

S450/S455 Activity Calendar Sign

1. The wall must be dry, well sealed and free of dirt, loose paint, wax and grease
2. Determine the sign location on the wall.
3. Use the sign as a template for mounting hole location. Transfer the six mounting holes to the wall with a marker.
4. Drill $\frac{1}{4}$ " holes on the wall for the Alligator anchors and push the anchors into the holes.
5. Attach sign to the wall with #8 x 1" Phillips pan head screws into the Alligator anchor.
